

# Preschool Calendar 2010-2011 Hebrew Year 5771

The following is a general calendar for the Etz Hayim Preschool school year which indicates the days when school will be open or closed whether for religious or federal holidays or for other reasons. Use this calendar in conjunction with any other daytimer/planner methods your family uses to help you stay on top of the preschool schedule. Please use the separate Celebration Calendar to determine when your child's class will be having in-class celebrations for specific holidays.

DATE	EVENT	CLASSES
<b>September</b>		
<i>During the first two weeks of school, Etz Hayim will be operating on an "Abbreviated Day Schedule" for the Chatool Sagol and Chatool Adom classes. Since this is often the first time many of our two-year olds have spent time away from their parents in a school-type setting, we like to give our students a chance to adjust. This schedule will be in effect for the first two weeks for the Two-year old classes only.</i>
